

HOUSEHOLD HAZARDOUS PRODUCTS COLLECTION CENTER

FACT SHEET

!! Wood with Lead Paint is not accepted at the Collection Center!!

Wood with Lead Paint

Hazards

- Ingesting lead paint chips has been proven to cause brain damage in children.

Handling

- Handle items (moldings, doors and windows) in a way that minimizes paint chipping.
- Keep out of reach of children and pets.

Management Options

- Householders may dispose of painted wood in the trash, although local size restrictions may require pieces to be cut. Contact your local trash hauler for specific restrictions/requirements.

For more information, call the Massachusetts Childhood Lead Poisoning Prevention Hotline at 800-532-9571.

REDUCE, REUSE, RECYCLE
